## Installation & Configuration

*It is highly recommended to backup your files and database before installing this theme. Commerce Bees are not responsible for any adverse effects. It is recommended to install this theme in a test environment for initial testing, before implementing the same in your live environment.*

- Extract the zip folder(if not installed via Magento Connect Manager)
- Copy the folders and paste it in your site's corresponding folders
- Merge files when asked

### Make “Electromax” as Your theme

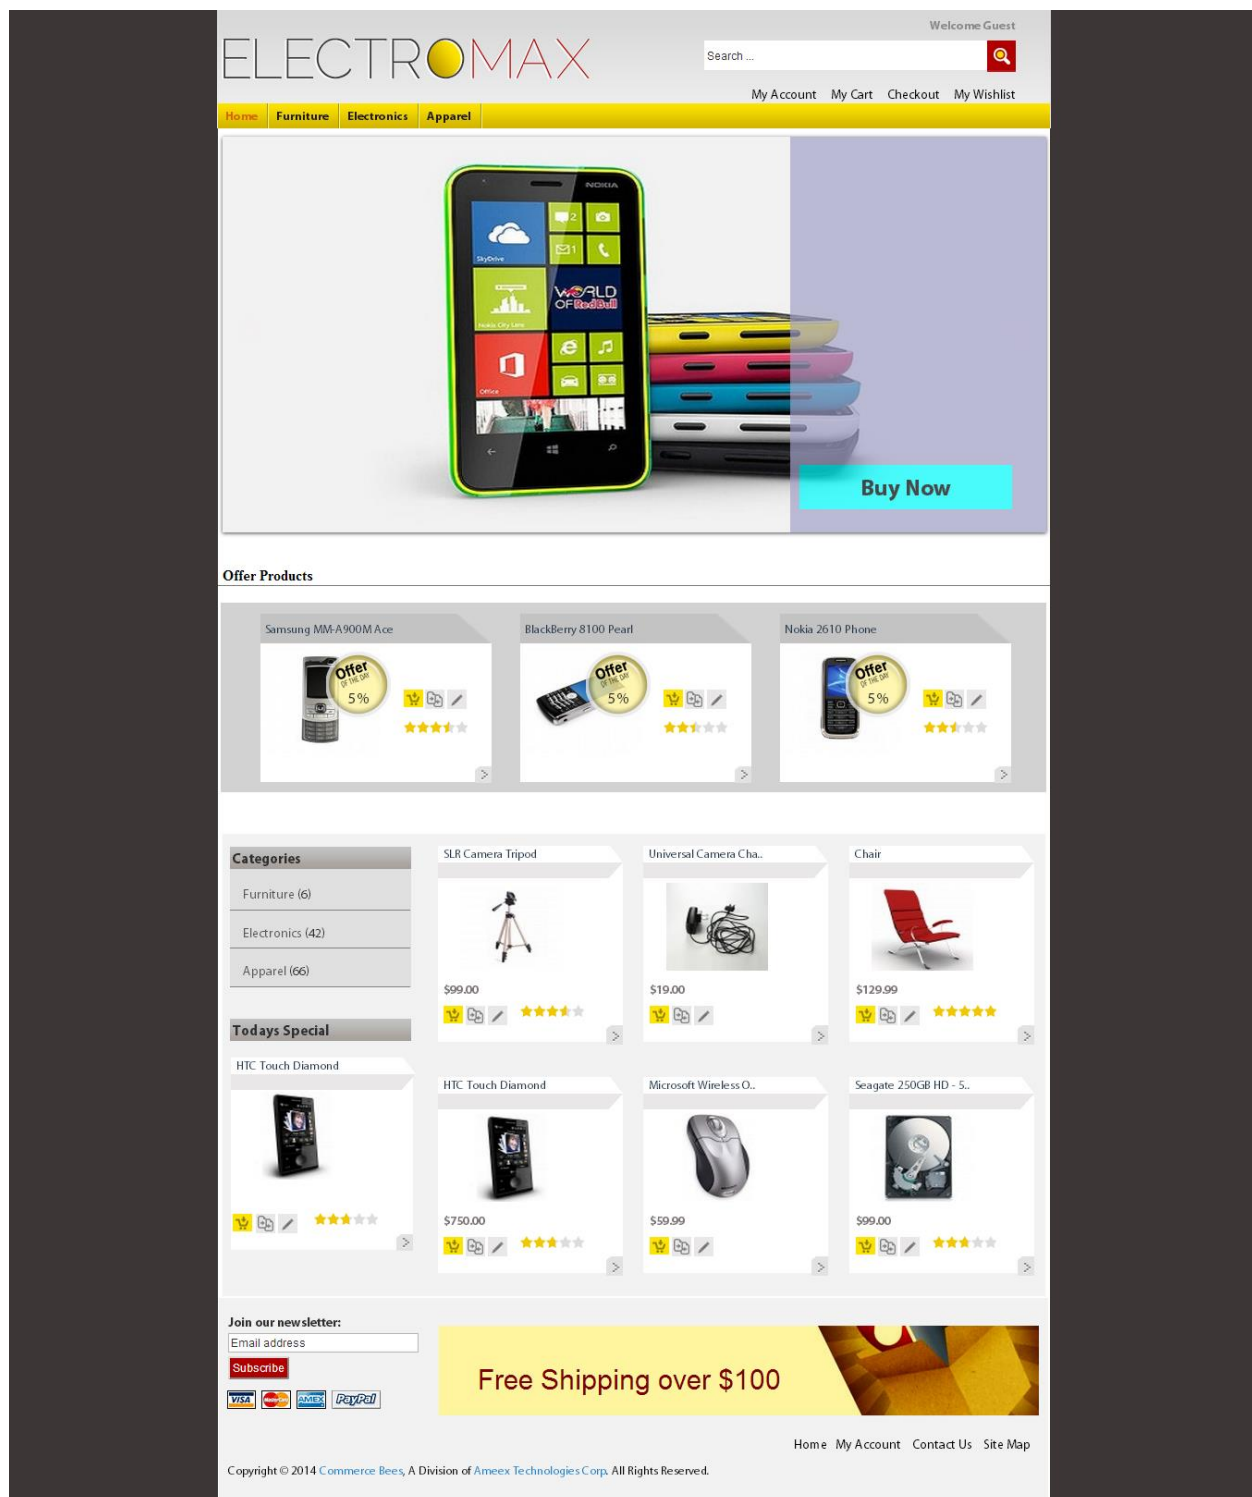

- Login to the Magento Admin Panel via Magentosite(ex:[www.magentosite.com](http://www.magentosite.com))/admin
- Go To: 'System → Configuration' Click on **Design** on the left menu  
Under Package Tab put “**electromax**” into current package name  
Under Header tab put “**images/logo.png**” into 'Logo image Src' Field.
- You can also enter the **Image alter text and Default Welcome Text**.
- Scroll back to the top of the page and click the **Save Config** button.
- Next, go to '**System > Cache Management**' from the top navigation menu. You will need to clear the store cache and all cookies.
- Click the following buttons (in orange): **Flush Magento Cache, Flush Cache Storage, Flush JavaScript/CSS Cache, and Flush Catalog Images Cache** (optional). Now you are ready to add content to your website.

## Slider Images

A directory named as **wysiwyg** has been created in media folder and the slider images are placed in the following path

Your **Magento folder** → **Media** → **wysiwyg**

**(Note:** All the slider images need to be same size).

For example:

If you have image name as **slider1** . Suggested way to change code as

```
<a href="#"></a>
```

## Options in slider

- Image can able to link the page by providing the URL in `<a href="URL"> <img></a>`
- Add a caption to the slider image .

```

```

- div id need to be given as title tag of the slider-image and the div is placed after slider-images as follows

```
<div id="newid" class="nivo-html-caption">
  <p class="caption-tag" style="color: black; background: aqua; text-decoration: none; font-weight: bold; font-size: 25px;"><a
    style="color: #000; text-decoration: none;"
    href="http://www.google.co.in">Buy Now</a></p>
